Even Ford Fails to Stop the Fast

Climbing Naps.

FRROR BY CHASE COSTLY

Falkenberg Pitches Remarkable Game, Holding New York at His Mercy.

Cleveland. July 17 .- The Cleveland Naps made it three straight over the New York Yankees here to-day, when Falkenberg, twirling wonderful ball, outpitched Russell Ford and led his team to victory by score of 2 to 1. It was the tenth consecutive victory for the Naps and the fifth consecutive defeat for the Yankees. The Cleveland team is now tied with New York and Boston for fourth place. Another victory over the Yankees and another defeat for the Red Sox at the hands of Detroit will give the Naps a firm place in the charmed circle of the first division

for the first time this year. The star "spitball artist" of the vis jtors pitched a brilliant game, but he did not come up to the pace set by Falken-Ford was handicapped by weak support at critical stages, Hal Chase making an error which opened the way for the home team to tally its two runs. but allowed only five scattered hits. Falkenberg, on the other hand, was well nigh invincible throughout the game. In seven of the nine innings he retired the side in order, while only fifteen batsmen faced him in the last five frames. The one pass which he gave and the four hits he allowed all came in the first four inpings. After that he tightened up and the visitors were helpless.

Daniels was safe at first in the eight! frame, when Lindsay made the only error credited to the Naps, but Bert was caught napping off first by the watchful Falkenberg. Daniels was the only batsman to first after the fourth inning.

Ford pitched steady ball, the kind that would have won nine games out of ten, was sent down to his second straight defeat by the brilliant work of his opponent. Among Ford's relapses four passes, which, with five hits and three errors on the part of his team mates, were enough to give the Naps the advantage needed to win. Cleveland had a home run by Zimmerman, following two passes, netted enough runs to win, the players did not always hit safely only two were struck out.

visitors. Otis Johnson signalized his rern to the game after an extended abwhich tallied New York's only run. Johnson filled in at second base in the absence of Earl Gardner. Magner, the reis too inexperienced to handle affairs around the keystone sack in such a Harry Wolter made the only ther hit for the Yankees, when he singled in the first and died at second trying to stretch it into a double.

first inning, when Ford got off to an exremely bad start. Graney, the first man e the New York twirler, drew a Doyle 3b. 311 2 When Chase muffed Ford's throw Faler, 1b. 40010 to face the New York twirler, drew a to catch the runner napping Graney took Archer, c. 310 4 66 Although Olsen popped Enight, the heavy hitting Jackson doubled to left, scoring Graney. for a hit to left and brought Jackson ome, taking second himself on the throw-Birmingham lined to Hartzell, whose

tightened up and mowed the visitors down in order for the rest of the game:

# AUTO NEWS OF THE DAY

Three Alcos Entered in the Elgin Road Races.

A BIG FIELD IS ASSURED

Mortimer Roberts Thinks All Horse Tracks Are Unfit for Automobile Racing.

Entries are being received daily for the national stock chassis automobile road race at Elgin on August 25 and 26. This fixture is creating more interest this year than last. It has come to be regarded as the most significant race decided in America, in that all the cars must be strictly stock model. A recent statement of the contest board of the American Automobile Association announced it as the only race in which actual stock cars are driven. Four National cars have been entered, two to be driven for the Elgin trophy and the other two for the Illinois trophy. None

of the drivers has been named for these Three Alco cars also have been entered for the major race. Harry Grant, hero of two Vanderbilt Cup races, will drive one of them. The other drivers are not yet named. Hartmann may drive one, and possibly Stanley Martin, who has been in several twenty four-hour races, will drive The entry of the Alco cars is regarded with much interest, as the Amercan Locomotive Company does not make for all its racing. The company evidently

has its eye on the stock car trophy. Three F. A. L. cars have been entered for the Kane County trophy, two Coles and three Stavers. Thirteen entries at this early date indicate an unusual field of

Mortimer Roberts, the young racing driver, who has been handling the Abbott-Detroit racing entries for the last two seaof Marcel Basle, the ill-fated driver who was killed at the Hawthorne track races in Chicago on June 10, and, still affected by Basle's untimely end, Roberts says in regard to racing on dirt tracks

"Poor Basie was a victim of the fact that automobiles have gained immensely in power and speed, while racing tracks have not kept pace with the changes. The circular dirt tracks that were originally when to make twenty laps at any pace at surdly antiquated for the eighty miles an hour the racing car of to-day finds it easy "I drove the other Abbott-Detroit entry

before the week is over new records will at the Hawthorne track, and the morning of the race Basle and I went over the bunched nearly all the way round. Lewis speed would naturally hit these holes with Forest got away with a good lead, but a terrific impact and fling a lot of dirt to the outer fence, leaving the inside track Huguenot a lead maintained to the end of full of ruts; and a car, striking across the heat. The second heat was a proces- these ruts and going at the speed Basie's ston, The Huguenot leading all the way. car was, would almost inevitably throw There are just three tracks in America

the Atlanta speedway, laid out in a mahanked at an angle of 45 degrees. But they are at any rate asy time winning, Geers never being and should be used as models in building

George R. Emerson, of Guatemala, Cenall three heats of the 2:15 pace Sister tral America, has obtained the agency for Florentine got away with a good lead, but the Marmon car in Guatemala City. Mr. Emerson has made a special trip to the Nordyke and Marmon factory, at Indianap-

olts. There are a number of Marmon cars now in use in Guatemala, and Mr. Emerson states that their popularity is increasing daily because of their adaptability to meet the conditions of the Guatemalan roads, which are rough and hilly and have therefore laid many difficulties in the way of motorists.

FOG TOO MUCH FOR YACHTS Only One Contestant in Race for Norman Cup.

Bar Harbor, Me., July 17. - Only two yachts of the Eastern Yacht Club feet were entered for the Norman Cup race to Marblehead when the hour for the start arrived to-day, and only one, the Venona, owned by E. J. Bliss, left the starting point off Egg Rock when the gun was fired, more than five hours late. The other entrant, TROTTING-2:07 CLASS-TWO IN THREE- Harold Vanderbilt's Vagrant, was withdrawn because of the heavy bank of fog

drawn because of the heavy bank of fog which hung over the water.

The Norman Cup, offered by Captain Guy Norman, must be won three times by a yacht owner before permanent possession is secured. Last year E. Walter Clark, of Philadelphia, won the first race of the series with his smaller schooner Irolita. This year he had planned to enter his new Irolita, a much larger vessel, in the race, but, like the others, objected to a run of 161 miles in the dense fog which prevailed today.
